Subject: Open access roads along flood control channels for bike lanes!

Date: Friday, October 1, 2021 10:09:20 PM

CAUTION: External Email. Proceed Responsibly.

Dear SafeCleanWaterLA, Why is it so complicated to partially open gates of access roads along flood control channels in Woodland Hills and West Hills for bicyclists? Put up cameras, razor wire for security, bicycle riders could sign "release of liability" to use the new bike lanes and patrol for illegal activity. One third of all bicycle traffic deaths in CA occur in LA County. Our streets are not safe for bicyclists. Please unlock the gates. Respectfully, Eric Schmidt of Emerson UU Envionmental Justice Ministry
