- **Monthly reporting** (ongoing)
- Participated in **monthly Watershed Coordinators' Meeting** (1-25)

Planned Upcoming Activity Focus

- Work on event calendar for remainder of contract year
- Continued coordination re: development of a project concept in FCD R-O-W at edge of Temple City
- Continued research and support re: LRS projects
- Continued research on potential future project sites, especially in Alhambra Wash, Rubio Wash, and Eaton Wash subwatersheds
- Continue to seek to understand community needs and search for potential sites for small projects that could be community-sponsored/community-driven

(Continued)

Planned Upcoming Activity Focus

(Continued)

- Work with T.I.M.E. Community Charter School and the City of Montebello on potential innovative sustainable infrastructure project that would involve students in the planning and engagement/outreach processes
- Work on a future tour of proposed infrastructure projects for WASC members/community
- Prepare and submit Year 2, Q2 Quarterly Report
