Community Engagement Events

2. Community Questions/Feedback

Safe, Clean Water Program

- Is the removal of impervious concrete a requirement for funded projects?
- Why are smaller projects less prominent among the funded list?
- Will there be incentives for private residences to remove impervious concrete?

Pomona Fairplex

- Water treatment needed but residents wondering about other benefits.
- Will any above ground amenities include resident input/regular access?
- Opportunity for significant above ground re-design.

2. Community Questions/Feedback

- SCWP webpage on Day One's website will include 'Questions/Comments' button.
 - Option to leave general comments or questions about specific projects
 - Focused on what community would like to see
- Day One newsletter to include description of SCWP projects
 - February: Encanto Park in Duarte
- Increase use of social media as a form of outreach but also education
